Please refer to the [British and Commonwealth vehicle catalog](#) for more information about camouflage patterns, and markings.

Footnotes

1. Vallejo Acrylic Model Colours are listed with two number, i.e. "976 (120)". The colour's order number (Ref) is followed by its position number (Pos) in brackets. The position number indicates the relative position of the colour on the Valley Model Colour chart.
2. Also available as acrylic paint. Testors Model-Master "E" numbers indicate acrylic paint, other numbers are Model-Master enamels.
